

August 14, 2017

Greetings!

***Like you, it's hard to believe that our Camps have ended and summer is almost over!***

Camp Meeting and Youth Camps have come to a close for 2017 but we had a wonderful time of renewal and fellowship together as well as reports of amazing spiritual results.

I know that everyone is gearing up for the new school year and preparing for upcoming activities and events at your local church as well as in your own home. However, here at the State Office, we are not only gearing up for the months ahead, we continue to engage in working hard to improve the Ministry Center for next year's activities.

***Which brings me to the reason I'm sending you this letter.***

On Friday night of Camp Meeting, I introduced the Gideon's Few Pledge. This endeavor is designed to not only make the ongoing necessary improvements to the Ministry Center, but it also becomes a powerful tool to begin reducing the debt each month. At Camp Meeting, we announced a \$35,000 matching fund opportunity and because of faithful members such as you, we have already raised \$20,000 that will be matched!

***Would you prayerfully consider sending in a special matching fund offering to help with this need?***

This Ministry Center is a focal point for the Church of God. We not only minister to our youth during camps every year, but it connects us together throughout the year as we train, encourage, fellowship, and exhort one another.

***You can join with us now by being a Gideon's Few Partner.***

Your pledge, (whether it's one-time, monthly, quarterly or annually) will be a tremendous help in reaching our goal to become debt free AND remain good stewards of the blessing God has entrusted to us. Please visit our website at [michigancog.org](http://michigancog.org) and click the "Gideon's Few" logo to easily make a donation.

***We are thankful God uses this ministry as a tool for His purpose!***

As you can see, God is at work through you and the Church of God. We would so appreciate a special Gideon's Few gift from you. If you have any questions about giving, please call us at (810) 629-0460. We're always happy to talk with you.

Blessings,

Tim Nuckles, Administrative Bishop

PS: Enclosed you will find a Gideon's Few Pledge Card for you to prayerfully consider partnering with us. It can be returned to our office at 6317 Old US 23, Fenton, MI 48430.
