UKRAINE: THE JOURNEY HOME

WWAM 2022-2024 PROJECT #020-8203

We need your help!

On February 22, 2022, the invasion of Ukraine separated families and displaced thousands of orphans.

When these children left their homes in the middle of the night, they were filled with all the things that war brings to your heart. They didn't know if they would even survive, but in spite of the fear, they have learned to trust in God and to hold tenaciously to His hands.

We are told that there are some 100,000 orphans in need in Ukraine. While we cannot help all of them, we must do our part. With your help, we will rebuild lives, reestablish families, and provide transportation, clothing and food that will sustain these children in their journey home.

Your gifts will be used to build and rebuild adequate facilities and housing that will provide safety, protection, education and Christian development for these children.

“Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself being polluted by the world.”
